

Asia-Pacific Forestry Week 2019

Forests for Peace and Well-being

17-21 June 2019 | Incheon, Republic of Korea

GUIDELINES FOR POSTER PRESENTERS

FAO warmly invites you to display and share your work during a poster session at the Asia-Pacific Forestry Week 2019. Poster presenters can present research findings and programme/project results with a focus on the countries in the Asia-Pacific region.

This document contains information for interested poster presenters. Presenters are requested to submit abstracts no later than **30 April 2019** through this [link](#).

Content

The poster must be technically or scientifically sound, up-to-date and relevant to the topic of forests and forestry in the Asia-Pacific region. As people with different backgrounds will view your poster, we suggest that you make your points concise and clear using bullet points. We encourage you to make your poster as visually attractive as possible. Standard elements of a poster should include (but not limited to):

- Title of poster
- Full names and organization affiliations of all authors and e-mail address of at least one author
- Introduction: a few brief sentences that state the scope and main objectives of the study or program
- Methods or key activities
- Results: tables, graphs and photos with simple statements
- Conclusions: a list or summary of conclusions

Size

- The poster should be A0 size with dimensions of 841 x 1189 mm (portrait orientation only).
