Stream Introduction

Stream 5 encourages discussions on efforts to strengthen forest governance in the region and deliberates on the future of forest governance beyond 2030. Stream 5 has 25 events in store, each covering critical and relevant topics including SDGs and Global Forest Goals, sustainable finance, United Nations Strategic Plan for Forests 2017 - 2030, , policy reforms, peatland negotiation, certification systems, CSO engagement, networks and multi-stakeholder co-operation.

Stream 5 highlights ministerial speech on good governance in opening plenary, Asia Pacific Forest Sector Outlook Study III, future of green jobs for youth and Young Forester's Summit.
