

Title	Field Experiences in Forest Resource Assessment, Myanmar and Thailand
Organizer	Forest Department, Myanmar (FD of Myanmar), and Department of National Parks, Thailand (DNP of Thailand)
Type of event	Workshop
Venue	Room 304
Date/Time	Friday, June 21; 11:00-12:30
Event description	
<p>This event will showcase the progress made in recent years in development of Myanmar's National Forest Monitoring System (NFMS) and Forest Reference Level (FRL) for REDD+. It will describe the process of developing and piloting the first full national forest inventory for the country, the results of the field tests of the methodology and the potential applications of NFI for planning and policymaking purposes, as well as for REDD+.</p>
