

Title	Financing Climate Resilience
Organizer	Green Climate Fund (GCF)
Type of event	Discussion forum
Venue	Room 104-105
Date/Time	Friday, June 21; 13:30-15:00
Event description	
<p>This session will present innovative financing needed to promote the paradigm shift in the forest and land use sector. A keynote speech will be delivered by Michael Brady, Principal Scientist, CIFOR to provide the context and linkage for climate finance and resilience for the forest and land use sectors. The session will then move to a panel setting. The session will present and discuss GCF's interventions in the forest and land use sector and aim at identifying catalytic interventions GCF can promote.</p>
