

<b>Title</b>	Development of Synergies between PEFC and Other Initiatives such as FLEGT Utilizing Experience in ASEAN	
<b>Organizer</b>	Programme for the Endorsement of Forest Certification (PEFC)	
<b>Type of event</b>	Discussion - Showcase - Workshop	
<b>Venue</b>	Room 302	
<b>Date/Time</b>	Friday, June 21; 11:00-12:30	
<b>Event description</b>		
<p>This event aims at developing initiatives to synergize Forest Law Enforcement, Government and Trade (FLEGT) and certification, using a common infrastructure. It looks at activities that are underway for increasing capacity, accreditation and conformity assessment infrastructure. It will be a session that involves an interactive discussion which focuses on furthering synergies in the region, in line with the discussions during the Pan ASEAN Timber Certification Initiative (PATCI) hosted event in APFW 2016, using quality infrastructure and regional support through the ASEAN Consultative Committee on Standards &amp; Quality (ACCSQ) and ASEAN Senior Officials on Forestry (ASOF). The session will also showcase compatibility in the Asia Pacific Region and potentially member economies in the Asia Pacific Economic Cooperation (APEC) for greater market integration to promote sustainable forest management and responsible trade.</p>		
<b>Time</b>	<b>Speaker / Panelist</b>	<b>Theme</b>
11.00-11.20	Mr. Richard Laity, PEFC	PEFC Certification and Quality Infrastructure
