

<b>Title</b>	Encouraging Global Tropical Peatlands Knowledge Negotiation	
<b>Organizer</b>	Forestry and Environmental Research, Development, and Innovation Agency, Indonesia	
<b>Type of event</b>	Discussion forum	
<b>Venue</b>	Room 308	
<b>Date/Time</b>	Tuesday, June 18; 15:30-17:00	
<b>Event description</b>		
<p>This event will be organised to enlarge a network and building common ground on diplomacy and negotiation on peatlands conservation, initiated by Indonesia. The objectives would be mapping global associations/alliances work on conserving peatlands, both tropical and also temperate; encouraging potential partners to synergize their program towards ITPC's work; promoting negotiation and diplomacy of global tropical peatlands knowledge center; and indicating a platform collaborations with ITPC in promoting conservation of tropical peatlands the event is crucial for Asia Pacific's movement on peatland conservation. The last Peatland Resolution has been adopted by UN Environment Program at Nairobi 11-15 March 2019.</p>
