

Title	Future Green Jobs for Youth	
Organizer	Food and Agriculture Organization (FAO)	
Type of event	Discussion forum with live streaming	
Venue	Room 111 & Live Streaming	
Date/Time	Wednesday, June 19; 15:30-17:00	
Event description		
<p>As part of the Asia Pacific Outlook Study III, a regional youth consultation workshop was organized to include the youth perspectives. The workshop gathered views of youth participants coming from diverse, forest-related backgrounds, academia, research, government, NGO, and development sector. Youth participants discussed about their dream jobs and the future and deep dived into the discussions on push and pull factors into forestry sector. To further build upon the regional youth consultation and allow wider discussion among youth globally, FAO is organizing an expert talk cum live Q&A with youth event during the Asia and Pacific Forestry Week 2019, Incheon. The expert talk panel will consist of speakers from diverse backgrounds including forestry, technology, education, government and business.</p>
