

<b>Title</b>	Young Forester's Summit	
<b>Organizer</b>	International Forestry Students' Association (IFSA)	
<b>Type of event</b>	Workshop; Training; Seminar	
<b>Venue</b>	Room 308	
<b>Date/Time</b>	Friday, June 21; 13:30-15:00	
<b>Event description</b>		
<p>During the summit, IFSA will be responsible for setting the workshop and engage youth delegates in a meaningful manner. The summit will carry out in the format of TED talk. Delegates will have the chance to present their research projects within a short time, carrying out their presentation in the most creative and interactive way to engage the audiences as there will be online voting at the end of the session. Furthermore, a jury of experts in forestry and related fields will choose the best presentation, according to the voting of the participants. Lastly, the Champion of Asia Pacific Forestry Week will give an opening speech for the summit.</p>
