

Title	Forest Stories	
Organizer	Food and Agriculture Organization (FAO)	
Type of event	Workshop	
Venue	Room 207	
Date/Time	Friday, June 21; 13:30-15:00	
Event description		
Forest stories is a workshop gathering students to narrate stories and generate visualizations from forestry datasets. Students will be introduced to data visualization software to create interactive dashboards and publish the story on public domain. Open and free forestry datasets will be used for this workshop. Students should have some knowledge of computers, data compilation and analysis.		
Time	Speaker / Panelist	Theme
